MONOMOYICK

Elizabeth Duff Young

1982

The background of the entire page is a photograph of Chatham High School. The building is a two-story structure with light-colored siding. On the left side, there is a prominent clock tower with a red-tiled roof and arched windows. The main entrance on the right features a portico supported by four white columns. Above the columns is a triangular pediment with a semi-circular window. The sky is overcast with grey clouds. The title text is overlaid on the upper right portion of the image.

To the Chatham Chapter of the A.F.S.

"Walk together, talk together, O ye peoples of the earth; then and only then shall ye have peace."

In 1963, members of the community worked together to help found the Chatham Chapter of the American Field Services Program. Their purpose was to promote a greater knowledge of other peoples and their cultures through student exchanges. Two programs were created with this in mind; the Americans Abroad Program and Domestic Program. The first foreign A.F.S. student to attend Chatham High School was Susan Carter from England in 1964.

The community involvement that created the chapter is still apparent today. There are about sixty people in Chatham's Adult Chapter as well as the Student Chapter. Thirty-five different families have served as hosts for visiting students. In addition the organization has raised money in the town through such annual projects as the sale of wreaths for Christmas, auctions, and balloon selling at the summer band concerts.

Through these efforts, the lives of many students and parents have been changed and enriched at Chatham High School. For this reason, we would like to dedicate our 1982 Monomoyick to the Chatham Chapter of the American Field Service.

To Miss Mary Beth Hartung

In September of 1978, Miss Hartung became the advisor to the Class of 1982. We each had a great deal to learn about the other, and the next four years were destined to be a great growing experience.

It soon became apparent that we were very fortunate to have Miss Hartung as our advisor. She brought patience, kindness and enormous enthusiasm to all our projects and functions — from car washes to Spirit Week, and especially our Junior Prom. For this unreserved dedication and constant generous support, we, the Class of 1982, wish to extend to you our heartfelt thanks and gratitude.

*With grateful appreciation,
The Class of 1982*
